

West Brandywine Township
Open Space Review Board
Meeting Minutes of January 11, 2007

7:07 PM John Cassels called the meeting to order.

In attendance:

Paula Kondracki	John Conti
John Cassels	Anita Ferenz
Kim Hoopes	Steve Jakatt

Public Present: Lyle & Pricilla Thornberry

John Cassels presented that the WBT Township Manager has officially signed the By-Laws.

Action on Minutes of Previous Meeting(s):

Minutes of November 9, 2006 and December 14 were approved. All were in favor.

Correspondence & Communication:

No correspondence or communications were submitted.

Public Comments:

Mr. & Mrs. Thornberry were pleased to hear our goals were in line with those suggested by the Brandywine Conservancy.

Old Business:

The OSRB "Mission Statement" is still in preparation by Chuck Dobson. The OSRB "Goals & Objectives" have been "borrowed" from the Brandywine Conservancy and work by other Townships.

New Business:

John Cassels presented computer generated maps (GIS based) to demonstrate the existing system and maps prepared for the Township 2005 Comprehensive Plan. Existing maps and layers quickly and easily show current open space, new and proposed development, existing trails and lot numbers. Maps will facilitate target properties for OSRB action.

John Cassels then proposed to formulate most of the basic work to progress our objectives further & faster. This is necessary as there are farms waiting on our actions to remain solvent.
