OLD BUSINESS:

CONCERT WRAP UP-----

Summer concerts went well and the bands were very good. Approximately 100 people in attendance at each concert. First concert had a little more people and families, flyers may have helped with that.

Discussion on bands for next year, possibly getting different groups with more music variety.

MOVIE NIGHTS-----

Discussion on possibly showing movie under the picnic pavilion when it rains during the summer. Need signs to let people know when the movie is inside.

Discussion on additional movie nights, possibly a matinee. Will schedule movies for January and February.

Decision to add an additional movie night—September 19th.

FAMILY FUN DAY-----

Decision to cancel for this year. Need more time and planning to organize. August does not appear to be good month. Cannot get vendors and people to help.
